Subject : REACH

KANSAL ALTAN is aware of obligations imposed by REACH and we have been working together with our suppliers. We have adopted our material management system to the REACH legislation and are receiving updates from “ECHA WEBSITE” regarding the changes in the dangerous substances lists, i.e. “SVHC Candidate List”, “Authorisation list- ANNEX XIV”, “Restricted substances list (RSL)- ANNEX XVII” and other REACH obligations.

Please note that the substances in the formulation of below products to be supplied have been registered by our suppliers according to the imposed REACH regulation.
