

PRODUCT INFORMATION

Date of issue: 22.10.2020

Rapid One Step Plus**Application area:**

1-step polish for stressed paints.

Product description:

Rapid One-Step Plus is an easy to handle 1-step polish with effective sanding components and high-quality carnauba wax. In just a single operation, scratches are removed, and the paint surface long-lastingly sealed. Enhances colour depth and shine. High water repelling effect. Ideal for the time-saving paint preparation for used cars.

Additional information:

Shake well before use! Protect against frost!
Safety data sheet for professional users available under: www.polytop.de

Density:

1,06

Art. no.:

16900001
16900250

Pack size:

1 Liter
0,25 Liter

Features:

- intensive deep shine
- with premium Carnauba-Sealing
- effective scratch removal

Application:

Rapid One-Step Plus is applied best by a rotation polishing machine. Apply the product evenly onto the polishing pad and process crosswise in sections on the paint surface. Polishing residues can be rubbed off by microfiber cloth.
